Kobe, 26 March 2014

Dear Mr Van, dear Mr Chart

This letter is to thank your hotel for the warm and professional hospitality with which it significantly contributed to the big success of the 19th Inter-Governmental Meeting/Scientific Planning Group Meeting and other associated committee meetings of the Asia-Pacific Network for Global Change Research (APN), held at Borei Angkor Resort & Spa from 17th to 21st March 2014.

In particular I would like to express my heartfelt gratitude to Ms Kanha TEN, Key Account Manager: her professional and friendly dedication was essential for the smooth and successful conduct of our meetings. I was impressed by her work when I met her on my preparatory trip in Siem Reap and visited your hotel in October 2013, and when I left it just the other day on Monday, 24 March 2014, I definitely knew that my decision of choosing Borei Angkor Resort & Spa was right! My very personal 'Thank you very much!' to her, and congratulations to you to have such an excellent and outstanding staff.

I would also like to thank everybody else in her team: all my delegates were extremely impressed by the friendly and prompt way of your staff. And I want to thank Mr Sony OEUN, Assistant Resident Host Manager, Mr Ly MATH, Assistant Director of Food & Beverage, and Mr Dararith KHIEV, Executive Chef, for their great job.

In the event that opportunities may arise I will definitely decide on Borei Angkor Resort & Spa as the venue of any new events of my network in Siem Reap in the future. Also, I would be happy to recommend your hotel to anybody else who may be thinking of holding an event in Siem Reap.

With best wishes,

Yukihiro Imanari
